Economic Forecast 2020: Trade, tariffs and labor – how global forces impact our local economy

Tuesday, January 14, 2020
7:00am-9:00am

City Club Los Angeles
555 S. Flower Street, 51st Floor
Los Angeles, CA 90071

The 2020 Economic Forecast speakers will be discussing the outlook for the California and Los Angeles economies through 2022, with special attention being paid to questions of slower growth, a tight labor market, the continually changing makeup of the workforce, country-level trade conflicts and the ever-present question of housing affordability and its impact on growth. The speakers will also discuss the effects of trade on market concentration including the emergence of large firms that have been dominating a market in the past decade.
