1:00pm-2:15pm

Virtual Town Hall via Zoom

All money raised will benefit our chosen philanthropies -
Homeboy Industries and 2nd Call

Dave Gilmore, President and CEO of Design Intelligence and Design Futures Council, will offer an insightful lens on the economic impact of the pandemic - on market activity and foresight into the road to recovery. Dave will delve into the expectations of multiple asset classes of development, where innovation could occur, and how our industry may rebound from this once in a generation storm.

Dave will share viewpoints from the local economy to broader global economic influences on the built environment. He will leverage his keen perspective to reveal what business leaders should focus on, in order to guide their firms to a brighter economic future.
