Return to Campus and Beyond

Tuesday, June 8, 2021
12:00pm-1:15pm

Virtual Town Hall via Zoom

All money raised will benefit our chosen philanthropies - Homeboy Industries and 2nd Call

This panel explores how colleges and universities will effectively return to campus this fall through the lens of the built environment. This informative session will dive into lessons learned, answering queries arising from the pandemic, such as, will distance learning continue? How can the built environment be a catalyst for bringing back the collegiate experience? Has planning or building sequencing shifted due to revenue, enrollment, or other impacts? Join our esteemed panel representing a cross-section of California-based colleges and universities for an exceptional discussion not to be missed.
